WELCOME TO CAMPUS

UNIVERSITY OF WISCONSIN–MADISON
CAMPUS AND VISITOR RELATIONS
Our Shared Future is a campus-wide commitment to teaching and learning about UW–Madison’s historic relationship with Ho-Chunk people and today’s Ho-Chunk Nation.

On June 18, 2019, leaders of UW–Madison and Ho-Chunk Nation dedicated a new heritage marker on Bascom Hill that reads:

The University of Wisconsin–Madison occupies ancestral Ho-Chunk land, a place their nation has called Teejop since time immemorial.

In an 1832 treaty, the Ho-Chunk were forced to cede this territory. Decades of ethnic cleansing followed when both the federal and state government repeatedly, but unsuccessfully, sought to forcibly remove the Ho-Chunk from Wisconsin. This history of colonization informs our shared future of collaboration and innovation.

Today, UW–Madison respects the inherent sovereignty of the Ho-Chunk Nation, along with the eleven other First Nations of Wisconsin.

-2018

“No plaque or monument can ever adequately convey a complicated and difficult history. But they can start a conversation that begins to move us from ignorance to awareness.”

Rebecca Blank - Chancellor, UW–Madison

LEARNING OPPORTUNITIES

Our Shared Future Heritage Marker
During the 2019–20 academic year, the marker will travel to prominent locations on campus as it becomes incorporated into the educational life of the university. To see where it is located or learn about upcoming events connected to it, visit oursharedfuture.wisc.edu.

Native American Effigy Mounds
UW-Madison may be one of the most archeologically rich universities in the United States. Experience more than 12,000 years of human history by visiting ancient earthworks at Observatory Hill, Willow Creek, Picnic Point, Eagle Heights, and the Arboretum that were constructed more than 1,000 years ago.

Dejope Residence Hall
Dejope Residence Hall is located on the shore of Lake Mendota. The hall features indigenous artwork, replica mounds, and an outdoor fire circle that displays the official seals of eleven of the twelve First Nations of Wisconsin. The University received approval from each nation to display their seals.
On behalf of the entire University of Wisconsin–Madison community, thank you for choosing to visit our bustling and beautiful campus. We hope you have a great time while you are here and will carry fond memories with you when you depart.

Everyone should be able to find something here to enjoy. Your explorations might range from nanoscale engineering to the wonders of the universe. Our theaters and galleries showcase the finest in fine arts. You can cheer on our student athletes or take in a sunset along the lakeshore. High-tech labs, peaceful gardens, and historic landmarks add to UW–Madison’s unique character, which I’m confident you will find appealing.

There are thousands of Badgers studying, teaching, and providing vital services to enable us to fulfill our mission of education, research, and service. While this guide will help you choose the memorable places you’ll visit, we hope the people here leave you with an equally lasting impression.

On, Wisconsin!

Rebecca Blank
Chancellor
