DINE LIKE A BADGER
Welcome to campus! We invite you to visit one of our dining markets, coffee & ice cream shoppes, or convenience stores located across campus. We are proud to offer fresh, nutritious, and made-from-scratch food in all our venues.

PICK YOUR PLAN
Select one of three dining tier plans based on your eating habits. Five of our markets offer à la carte or pay-as-you go service. Rhetta’s Market offers all-you-care-to-eat or buffet style service where you pay a flat rate for your meal.

RESIDENT FOOD DISCOUNT
Use your Wiscard and save money! As a resident in University Housing, you get 30% off prepared food and 20% off pre-packaged food.

</table>

*For the Academic Year. Nontransferable. Rates are subject to change.
**The estimated number of meals a student can get with each meal plan is based on a $5/meal average at discounted prices. This is an estimate based on discounted prices in Housing dining markets over a 12-week Academic Year. Actual amounts will vary based on eating habits, food choices, and additional food items purchased beyond meals. Food purchases at Wisconsin Union locations do not receive discounted pricing.

DIETARY NEED? NO PROBLEM.
We can accommodate almost any food allergy or special dietary need you might have. We have a Registered Dietitian on staff who works with students to help meet that request.
